Follow these instructions to make your amazing Gingerbread House!

☺ If you want to know how to make gingerbread dough (click here for recipe) <http://www.rte.ie/lifestyle/food/recipes/2012/1210/3065-gingerbread-men/>

1. Roll out the dough (make sure it is not too thick).

2. Cut out shapes from the dough (Make sure you go gentle with the dough).

3. Bake the shapes but (DO NOT BAKE FOR LONG).
4. Let the shapes cool before you do anything with them.

5. Get icing and sweets for decoration.

6. Lean the two rectangles together.

7. Glue them with icing.

8. Attach the triangles with the icing/glue to the sides.

8. Stick on the roll to the top.

10. Decorate as you like/go crazy with the sweets!!!using icing as glue.

9. Leave to dry hard.  
And if you wish,  
wrap in cellophane  
for a present.
