
MAUREEN'S ARTS & CRAFTS SUMMER CAMP

June 30th – July 4th 9.30am – 1.30pm - €95 per child

The camp is suitable for all children from junior infants to sixth class.

It is particularly suited to younger children as the groups are small and the staff and venue are familiar. Feedback from last year's parents and children was very positive and a number have already enrolled for this year

The older children will be catered for too with small groups and activities suited to their interests and abilities.

* In addition to arts and crafts there will be cooking and plenty of time for games and playing.

*Camp is also open to family and friends of children in school

* Application forms can be had from the office or from Maureen

* Please contact Maureen on 087 7565194 or
