

RETNS Board of Management Meeting – 5th August 2020

Reopening of the school in September

The Board of Management meeting reviewed the ongoing preparations for the reopening of the school in September. The Principal and staff are working hard to ensure the reopening of the school is managed in as safe a manner as possible by applying the Department of Education and Skills guidance closely. The school will communicate details of the plans for reopening with you all shortly.

Our aim is to ensure that our school is managed appropriately in the coming months to protect the health of our entire school community. There will be new health and safety protocols for us all to get used to. With this in mind we ask that everybody please follow closely the guidance and protocols that will be issued by the school.

We look forward to seeing you all soon.

Half-One Club

The Half-One Club will be operating as normal from September.

Extra-Curricular Activities / Room Rental

There will be no extra-curricular activities or renting of school facilities to third-parties in September. This decision was made on the basis of reducing potential risk and that our primary focus is on the core school activities. We are aware that some other schools have also taken this decision. The decision will be reviewed at the October Board Meeting.

School Financial Accounts

The school financial accounts for the years ended 31st August 2019 were reviewed and signed off by the Board.

The BoM also considered some routine matters, which for reasons of confidentiality are not included in this report. The next Board Meeting is on Monday 7th September.
