

RETNS Board of Management Meeting – 7th December 2020

Covid-19 Response

The Covid-19 response continues to be managed by the Principal and staff of the school on an ongoing basis. The continuing cooperation of everyone in the school community is very much appreciated.

Family Fun Quiz

The Board would like to thank everyone for making the Family Fun Quiz a great success. The event was a most welcome social event for the school community and raised a total of €1,420. A special thank you to all the volunteers involved in the Development Committee.

Student Council Fundraiser

The Board approved a recommendation from the Student Council that they fundraise this year for the Laura Lynn charity. This is a great choice of an exceptional organisation providing an invaluable service to children and their families in Ireland.

Nurturing Schools Programme

RETNS have had an application to become a Nurturing School accepted. The Nurturing Schools Programme is a whole-school approach that helps schools to embed a nurturing culture to improve the teaching and learning, engagement in school life, and wellbeing of all pupils and staff. The programme is funded by Salesforce and will be delivered by Educate Together.

School Policies

The Board ratified the RETNS Data Protection Policy and Administration of Medication and Medical Care Policy.

The BoM also considered some routine matters, which for reasons of confidentiality are not included in this report. The next Board Meeting is on Monday 11th January 2021.
