Remote Teaching and Learning Plan

The Board approved the RETNS Remote Teaching and Learning Plan. The Board is grateful to all those who participated in this process.

Outdoor Development Project

The RETNS Development Committee outlined a proposal to commence work on the first phase of the outdoor development project during the summer break in 2021. This will involve the installation of new doors in three classrooms and the staffroom to better facilitate outdoor teaching.

The Board approved the appointment of a sub-committee to plan and manage all elements of this project including planning, fundraising and procurement of a contractor. Details of this project will be communicated to the school community in due course.

The BoM also considered some routine matters, which for reasons of confidentiality are not included in this report. The next Board Meeting is on Monday 8th February 2021.
