

# 3rd Class:)

By Lauren Ava Martin 😊

3rd class have been busy bees! From baking to sports, from sports to history! They've been doing **LOADS** of things in school. They have made smoothies, (yum!) and pizzas (double yum 😊😊)! I will tell you more of what 3rd class have been doing!

## ART

In art, they have been doing a lot-such as printing. They made really amazing pieces of art! They have also painted rocks to decorate their raised beds which they have planted **carrots** in. Their bed looks very c👍👍l now! They've also done great umbrella art.

## History

Recently, 3rd class have been learning about the history of **GAA**. They have also been doing gaelic f🏈 🏈ball in PE. They have had a virtual tour of Croke park which everyone found interesting.

## Tests

3rd class have completed their drumcondras! Whew! They had to do 3 tests which included maths, reading and spelling! A **BIG, F A T** well done to them!

## Highlights of the year

As everyone knows, there's some **EGG-CITING** news about Annaicks chicken eggs! Some of them have hatched, and 3rd class sometimes get to take care of them! They had made little lego houses to put a chick in! 3rd class also got to hold the chicks! Everyone got the conclusion that the chicks are about 100% cute!🐣🐤

A while ago, a very talented illustrator (Bob Byrne) had a zoom meeting with 3rd class. They described their character they wanted to make and they created the one

and only...**CHICKENZILLA!** A very big well done!

3rd class also did write-a-book! Congratulations to 3rd class for completing such a task! Marvin got the merit award while Grace, Bonnie and Zac got highly commended. Congratulations, 3rd class! That was a tricky job and you guys made it look easy-peasy-lemon-squeezy!

3rd class did great this year! Honesty, GREAT JOB! :)
