

Junior Infants News

By Lily and Lucy

Sponsored Walk

Junior infants loved the sponsored walk! They loved playing in the field, and then, before they went back to school they played in the playground! And to end an AMAZING day, Junior Infants got to play in the BIG YARD! Hope you enjoyed your first sponsored walk, junior infants!

Friends

Junior Infants enjoy playing with their friends in the wildlife garden! We bet it must have been fun! I wonder what they'll get up to next!

Cooking

Mmm, can you smell that? Yup, junior infants have been baking! Is that pizza, maybe brown bread? They have been baking both! I hope it was delicious!

Aistear

Junior Infants really like aistear, recently they have done restaurants, learned about the safari and meerkats, and even houses!

Planting

Junior infants have been planting some amazing things! Such as beetroot, potatoes and salad!

Have a great summer everyone.
