

# Weekly Update

## 4th June 2021

### Outdoor Learning Project – Fundraising Update

Thank you to all who have donated towards our Doors Project. So far, €5,300.00 has been raised. Apologies to all those who have already donated and received a reminder to donate through Aladdin. This message was sent in error.

### Calendar of School Year 2021 – 2022

[Holiday List 2021/2022](#)

### 6th Class Graduation

Now that the COVID guidelines are allowing 100 to gather outdoors, our Graduation Ceremony will take place in the Senior Yard as last year. The ceremony will commence at 11.00. Unfortunately, guests will have to be restricted to parents and guardians.

### This week in RETNS

We had some problems with our fire alarm yesterday. Following a visit from an engineer, our problems are resolved. I was very impressed by our children's (and staff's) calm and patience.

5th class had a wonderful workshop titled 'Depicting Diversity', facilitated by artist Mags Harnett, this week. We hope Mags will return to RETNS to work with other classes in the future.

2nd class brainstormed and designed some wonderful signs for our 'No Mow' area at the front of the school. All bugs, birds and bats are welcome and each species contributes to the eco system we are supporting by allowing it to grow and flourish naturally.

Senior Infants have been learning about the fear sinséir (gingerbread man) and made gingerbread men last Friday. I was delighted to share in their baking.

Today we bid farewell to the chicks who have been shared between Ciara and Annaick's rooms over the last couple of weeks. 3rd class named the chicks Tubby, Squeak & Floof. It has been great for our children to see the chicks grow and for some, to share in their care.

### Used / Broken Pencils Wanted

Some children from 3rd class will be upcycling used/broken pencils and so are on the hunt for the materials (old pencils) from all available sources. Each classroom will have a box for any contributed pencils.

What fantastic weather we've had this week. I hope it continues and that our whole school community will have a great long weekend (a reminder that there is no school on Monday!)
