

ULTIMATE Staycation Guide:)

By Lauren Ava Martin 😊

Covid-19 has taken us on a trip- but not abroad to hot and sunny places! It's making us stay in Ireland with the not-so-great weather that can change like, at any moment! In this I will help you keep a step ahead with Ireland's weather!

Packing Uwu

You'll need your clothes (obviously 😊) but there is a **LOT** of other stuff you will need! Such as sun cream. You will need sun cream to help protect you from becoming a walking-and-talking tomato. 🍅

You'll also need an umbrella. Why? Dude, we're livin' in Ireland!

A mask is very important because of the virus- which-will-not-be-named!

You better have a warm, fluffy coat! Better not catch a cold! Make sure your coat has a hood!

Don't be stupid! Bring your swimming gear-what's a holiday without a quick dip in the pool!

Bring your favourite teddy 🧸 to cuddle when you are traveling. Don't forget to bring other clothes such as socks, shoes and occasion clothes.

Games

Now am I ready to hit the road? No, not just yet! Dude, what will you do with all that spare time? Talk to your sibling? About what? Be real! Here's some games that will help you and your sibling not kill each other:

•I spy-The I Spy game is where someone is on and says " I spy, with my little eye, something beginning with..." They say a letter (example G) and you have to guess what it could be. If you guess right, you are on!!

•707- This game is not highly popular, but I definitely HIGHLY recommend it! It is like rock paper scissors, except a tiny bit more complicated and much more fun! You can either pick, get bullet, stay safe or shoot! You have to get a bullet to shoot but if you pick safe and someone tries to shoot you, you are safe! If you pick a bullet and someone tries to shoot you, they win!

• Guess the song-Someone will hum a song, you have to guess what song and what artist made it! If you guess correctly first, you win!

If these fantastically GREAT games fail, you can get a phone to watch netflix or youtube. You could also play some video games such as Among Us, Minecraft or Roblox. These are great video games to keep you entertained!

Places

Here's some ideas where you should have your staycation-or sites to see!

Achil Galway Cavan Wexford Clare Giants Causeway
Roscommon Kerry Fermanagh Cork Donegal Wicklow Dublin-just
because we live here doesn't mean we can't explore!

MOST IMPORTANT THING!!! Make sure you have enough sweets to last the whole, entire trip 😊😄😍🎉😎🍭🍦🍰🥤!

Enjoy your summer, and stay safe:)
