

ROSA PARKS was born on the fourth of february 1913 in alabama. She was a hardworking student in school and her job was being a tailor. She is best known for helping start the civil rights movement. She help the world realize to not be racist

I was inspired by Rosa parks to do what I can to help black and let everyone have gender equality. Rosa parks died on the twentyfourth of october two thousand and five. So over all thanks Rosa for what you did.
