

Pushpika Sunilani Kozgallana

Pushpika Sunilani Kozgallana is my mum. She was born in Colombo, Sri Lanka on the 11/4/1979. When she was young, her father made a big house around half the size of RETNS. She went to school was the marching band leader and did well at studies.

But the most amazing thing was that she got all A's in her leaving cert. She was really good at Maths. To this day, she teaches me and my brother Maths. After she completed school, she worked for DHL for 3 years. In 2008, she married my dad, Arjuna. Three years later, I was born. The reason I find her so inspiring is because she is one of the most hard-working person I've ever known. She is truly an amazing woman.
