

Mariah Elizabeth

Mariah Elizabeth is a YouTuber from America with over 7 million subscribers. Known for her art, crafts and her Squishy Makeover Series where her viewers send her old used Squishys and she fixes them up and paints them.

She is also very good at business as she has her very own shop and brand where you can buy merch like hoodies and t-shirts.

She spends about 50 hours on each video and still manages to post every Friday.

I am inspired by her because she is very hardworking and has a fun job.
