RETNS Walk to St. Enda’s – important information

Our annual walk is taking place this **Monday May 30th**. We will walk from RETNS to St. Enda’s Park. In the park we will play games, have a picnic and will walk back to school by 1.30pm. We would like to invite parents and guardians to join us on the walk.

As we will be outside for most of the day, please make sure that children have a rain jacket and are well protected from the sun. Children should bring a sun-hat and wear suitable clothes and footwear for a day in the park. You might like to bring a rug for yourself if you are joining us.

Junior and Senior Infants will have their lunch transported to St. Enda's by car so please make sure that your child's name is on their lunch box. Please remember that we are a nut-free school.

We ask that no toys are brought from home. Play equipment will be transported from school.

We are still looking for some volunteers to manage road crossing on the day. If you are available please contact Carol by tomorrow.

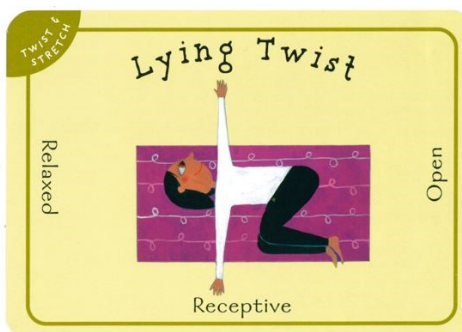

We are all looking forward to a great school community day out!
