EDUCATE TOGETHER
NATIONAL SCHOOL

Weekly Update 29th September 2022

No school on Monday, 3 October 2022!

Registration for Extra Curricular Activities – Friday, 30 September

Given the weather forecast for tomorrow, registration is likely to take place in the Halla. You will already have received clear guidelines from the P.A. on the registration process.

No Walking Bus this week

Due to ECA registration this Friday, there will be no Walking Bus. However, the Walking Bus will resume on Friday, 7th October.

This Week in RETNS

1st class have been busy harvesting a great crop of carrots, corn and marrow. Some beautiful photos are on the school website.

3rd class went on a virtual tour of an Amazon Fulfilment Centre to see how products are delivered to us and how robots are used in the process. This was followed up with a Q&A session.

Basketball

This year we are hoping to enter both a boys' and girls' team into the Dublin Primary Schools Basketball League.

The girls' team will be made up of 6th class children. The boys' team will be a mix of 5th and 6th class as we don't have enough boys in 6th class to have a full team.

Basketball coaching began on Wednesday. We are grateful to Mandy Clarke (mother of Elle and Scott) who will be coaching the children with Darren's help.

RETNS library – volunteers

Last year, we had a great team of parent volunteers who re-shelved books on a regular basis. All those who volunteered last year will be contacted by Jenny, Éabha's mum to start this work again if you are still available. We will also be looking for volunteers to help the junior class teachers on their weekly class visits to the library.

You would be most welcome to join the library team this school year. If you would like to find out more, please contact Jenny at jennyhoneill@gmail.com.

Frásaí na Seachtaine

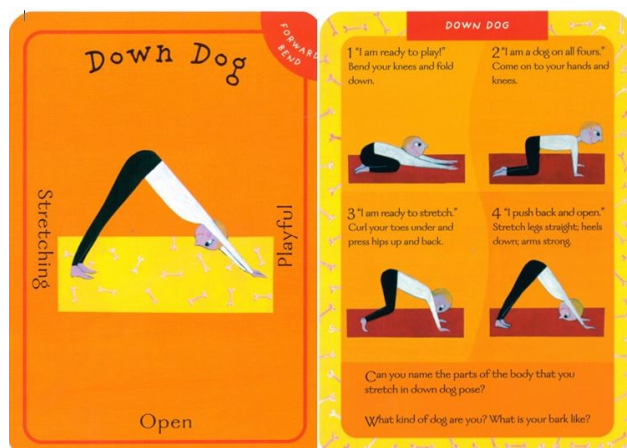

Fáilte ar ais.

Maidin mhaith.

Go deas thú a fheiceáil.
