

# WEEKLY UPDATE

18/01/24

## STEAM Robotics

We had a STEAM Robotics Workshop this week in RETNS. The children were mesmerised by the dancing robot dog!

## Antibullying week

This week we are celebrating antibullying week here at RETNS. At tomorrow's assembly, we will be raising the Cineáltas flag to recognise our collective efforts to foster an environment of kindness, respect, inclusion, diversity, and wellbeing.

## Maternity leave

As some of you may already be aware, I have some exciting news – I'm expecting a baby soon! From the end of February, I will be taking my maternity leave. During my absence, Anna will be stepping up as Acting Principal and Ronan will assume the role of Acting Deputy Principal. I wish them all the best in their new positions.

## A Message from RETNS

During this difficult time, our hearts go out to the Kazuba-Cendrowski family as they cope with the unfortunate event that took place on Tuesday morning in Rathgar. We will do all we can to support them during this time.

## GAA Coaching for SI and Rang 1

Yesterday, Jack commenced GAA training for SI and Rang 1. The children were all very enthusiastic and eager to engage. We are looking forward to them developing their new skills in the coming weeks.

## Walking Bus

Tomorrow morning will be dry but cold, making it an excellent time to participate in our first Walking Bus event of the year. We had a fantastic turnout before the Christmas holidays, and we hope to see everyone there again tomorrow.

Please be advised that there will be no driver at the Grange Road junction this week. Carol has sent an email with all the stops, so please refer to it for guidance.

Don't forget to fill out a reward card with tomorrow's date. If you need a card, Carol or Louise has them available in the office.
