

WEEKLY UPDATE

18/04/24

Do you have an unused backpack?

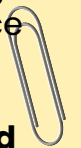

We are looking for any unused backpacks in reasonable condition which will be donated to Mendicity for their homelessness outreach. They are looking for school/sports bags that are no longer needed by families to use in administering basic essentials to people they work with. We would be grateful if you could drop these into the Halla for collection.

Hand Towels in Junior and Senior Infants

We have successfully rolled out the use of personal hand towels from 1st -6th class in an effort to reduce the cost of cleaning supplies. We are now going to introduce them in Junior and Senior Infants.

We are asking you to supply your child with a small face cloth each week which they will use to dry their hands. The towel should be stored in a zip lock bag. It will be kept in school and sent home at the end of the week.

Tag Rugby

1st class- 6th class will have tag rugby sessions with Leinster Rugby on Mondays for the next 5 weeks.

Dance

Junior Infants to 2nd class will have dance classes for the next three weeks on Tuesdays. The cost of the dance classes will be taken out of the trip money.

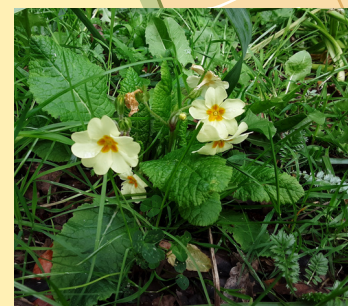

First class are learning about spring baby animals and made some of their own!

Parent/Guardians notices:

Please see information attached: Tusla Fostering Leaflet Rockbrook Park Secondary School Open Evening

Thank you Una for the lovely photos!
