23/05/24

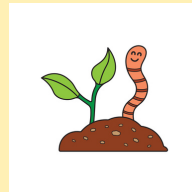

## Safety Campaign

The Board of Management is organising a safety campaign outside the front of the school next week. We are highlighting safe parking and safety at the front of the school.

## Our Wormery

After a very informative meeting with wormery and composting expert Craig Benton, we took delivery of a kilo of worms to top up our wormery. Junior Infants assisted Brian in ensuring they were safely put into their new home in a shaded corner of the side yard where they will be working hard over the warmer summer months to make lots of fresh compost!

## Question time

Local Councillor Sean McLoughlin met children from 6th class and also from the Green Team for a question and answers forum this week. Sean listened to the children's ideas and suggestions and updated us about future developments in Loreto Park and the local area. Sean will be taking some of the children's suggestions back to DLR county council. A big thank you to Sean for taking time out to speak to the children.
