

After-School Typing Classes for Children with Learning Differences

Searsol is pleased to offer a **free trial assessment** for any child at your school who wants to learn how to type. Our typing classes are designed for children aged eight and up, providing a supportive environment tailored to their unique learning needs.

Since 2008, Searsol has successfully helped numerous students across Ireland master typing. Our after-school classes are especially beneficial for children with learning differences, such as Dyslexia or Dyspraxia, or those who have received an exemption to use a laptop in school. We are proud to be recommended by both the Dyspraxia Association of Ireland and the Dyslexia Association of Ireland.

What to Expect:

Personalised Learning: Each child receives guidance from a qualified tutor, ensuring they learn to type correctly and confidently using our Typewiz program.

Supportive Environment: Our classes are specifically designed to suit children with diverse learning needs, helping them develop valuable skills in a supportive and encouraging setting.

Convenient Location & Timing: Classes are held at St. Tiernan's Community School, Dundrum, on Wednesdays at 4:15 pm or 5:15 pm and Saturdays at 10:30 am and 11:30 am. Each class lasts one hour per week and follows the school term schedule.

Why Choose Searsol?

- **Proven Success:** High success rate of students mastering typing.
- **Expert Tutors:** Experienced in working with children with learning differences.
- **Free Trial Assessment:** Allows children to try before committing.

We've enclosed some brochures about our typing course, and we would greatly appreciate it if you could share them with parents whose children might benefit from our program.
