

WEEKLY UPDATE

04/09/24

Next week...

Swimming started for 5th and 6th class today in Meadowbrook.

GAA, run by Ballinteer St. John's, will start for 2nd and 3rd class on Monday. Please bring a mouth guard to school on Monday.

Cycle Safety starts for 5th class on Monday.

No runners, No PE!

A reminder that children must wear runners on PE days. Children wearing unsuitable footwear won't be able to participate for safety reasons. The teachers will notify parents/guardians of PE days once the timetables have been finalised.

4th Class: All Different, All Equal

Thank you

Thank you to Andrew in Homebase for donating 10 pairs of gardening gloves to the school.

How to help your child regulate after school - helpful ideas in the attachments.

Staffing update

As you know recruitment has been a challenge this year. We were unable to fill one temporary position in August. Mary Griffin and Carol Norton will be subbing in a support teacher role for the next while. Thank you to them both. I will keep you updated on the situation as it progresses.

Hand Towels - Junior Infants

We are asking you to supply your child with a small face cloth each week which they will use to dry their hands. The towel should be stored in a zip lock bag. It will be kept in school and sent home at the end of the week.

Positive Behaviour week

Next week, there will be a focus on positive behaviour and communication throughout the school. The staff have lots of activities planned to support and encourage this. We ask you to speak to your child about the importance of being respectful, kind and treating others fairly. Our Friday assembly next week will focus on this where we will highlight good examples of positive behaviour. On Thursday the children will bring home the Happy School Rules. We ask that you have a chat with your child/ren about our Happy School Rules.

Dates for the diary

Monday September 30th - Day off

Wednesday October 9th - School closed for staff Maths curriculum training

le dea ghuí - Anna Acting Principal
