Value for the month: Respect

17/10/24

The Wormery needs leaves

4th class are collecting autumn leaves for the wormery. Deciduous leaves only please. No oak leaves and no waxy leaves like laurel as the worms don't like them. Children can drop off the leaves in bags to 4th class.

PA AGM and Zeeko presentation

The PA AGM is on November 5th @ 7.15pm.

Zeeko will be doing a presentation for parents/guardians on the night.

Zeeko delivers highly interactive and informative programmes, to improve student safety online and with technology. Zeeko will work with the children and staff during the day, and will present at the AGM that evening.

Prior to their workshops, they survey the children to capture the particular RETNS context. They will be giving feedback on the night based on their findings. Online issues are particularly pertinent at the moment, and I think it would be very important that as many people as possible attend so that we can work together to keep children safe.
