

# WEEKLY UPDATE

School closed September 30th

26/09/24

## Worm man visit!

Craig Benton visited the school during the week to meet the Green Team. He was very impressed with their knowledge of recycling and waste.

Top tip: all plastics, card, paper, and foil can go in the recycling bin. Just rinse and shake and put it in the bin.

## Walking Bus

The 2024/25 walking bus will begin on **Friday, October 11th.**

This initiative is a fortnightly event which aims to encourage parking and walking to school from a variety of locations.

The aim is that each 'bus' would congregate at the playground in Loreto Park and walk as a group to the school.

A message will be sent next week calling for volunteers to 'drive' the bus from these locations. Without volunteers the Walking Bus cannot take place. The more people who can commit to even one day in the term the less work there will be for everyone.

Further details of the stops and a volunteer sign up sheet will be sent next week.

If you are interested in being a driver, please contact Clíodhna Dowling on 0873246362.

## Flu Vaccine

Mc Cabe's Pharmacy will be offering the flu vaccine free to all children on October 16th during the school day. We will be in touch closer to the time with details of the vaccine programme and how to sign up for it.

## ANA Appreciation Day!

Today is ANA Appreciation Day. We would like to thank our amazing ANAs for all the wonderful work they do in RETNS.

## 1st class Abstract Art

## Permissions on Aladdin

Please fill out the permissions on Aladdin for all your children.

Thank you to those who have already done so.
