Anti-Bullying Week

This is Anti-Bullying week. The classes have been learning about bullying - how to recognise it, and what to do if you are being bullied or know that someone else is. Cyberbullying was discussed in the Zeeko workshops.

Winterfest 2024 - Dec 18th

Winterfest is on Wednesday, December 18th, in the school hall. Winterfest is an annual event in the school when each class prepares a short 10 minute performance. There will be two shows to facilitate as many audience members as possible.
10.00-10.45 J1 - 2nd class
11.15 - 12.15 3rd - 6th class

Green Team Updates

Working towards our Travel Flag

The Green Team are relaunching WOW days this week! WOW = Walk On Wednesday. Please try your best to use Green Travel on Wednesdays. We will present the junior golden boot and the senior golden boot to the classes with the highest percentage of WOW participants! Get active everyone! It's just brilliant to see so many Walking Bus users on the first Fridays! Thanks to the amazing 'bus drivers' who help to guide the children to the school gate - every little helps! You are our Green Heroes. This really helps to keep cars off the road and away from the school gates and encourages active, social travel too.

Care For Your Belongings Month

This November the Green Team are promoting an attitude of care towards all the objects we own in the world. We are encouraging each other to be more careful with our stationary, our school bags and books, our clothing, toys and the spaces we live in. By caring for objects we use less, waste less and have less impact on the environment. The Green Team will be collecting stories of care in the RETNS community which we will share with you! Thanks to Ryan Admirand for his lovely posters encouraging us all to tidy up and care for our things!
