## The National Children's Choir

5th and 6th class are participating in the National Children's choir this year. The National Children's Choir happens every two years, when children from all over the country learn a selection of songs, which are performed in a series of concerts across the country. We are delighted to be taking part in the Dublin concerts in March. Yesterday we hosted a large rehearsal with two other schools. We had a choir of 170 singers working all day on the repertoire. It was a great day of singing, and friendship making! Well done to everyone in 5th and 6th class for their hard work.
