The 6th Class Maths Masters Quiz

The Maths Masters Quiz was held on the 27th of November, with 20 schools competing. It was a fierce competition with many schools trying their best to get the highest score possible. We met our teacher Niamh at St. Attracta's and checked in. The quiz consisted of 6 rounds of 6 questions with the exception of round 4 having 7 questions. A lot of the questions in the maths quiz were based on subjects we learn in secondary school. It was challenging but fun. All in all, we had an amazing day. Donnacha, James, Max and Sylvia

Apps, sites and games

Agree on sites, apps and games with your child.

Age restrictions are there for a reason. It is important to check the age rating on a game/app.

www.common sense media.org is a very good site with information about game content.

Many children experience negative feelings when playing games or engaging in certain apps. Help your child recognise when this is happening and choose another activity.

Most popular apps, websites, online games or social media site in RETNS.

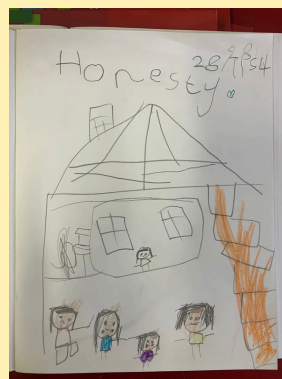

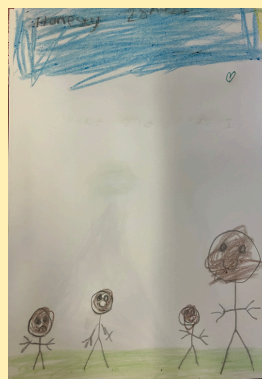

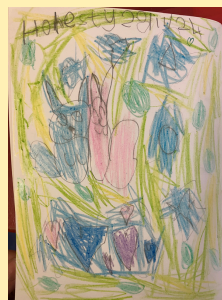

- 39% Minecraft
- 34% Roblox
- 32% Fortnite

23% of students have said they have played an over 18s game

Honesty Senior Infants

Recycled Decoration Competition

Thanks to all the children so far who have brought in beautiful homemade decorations as part of our annual recycled decoration competition. This year the school champion will be invited to Dun Laoghaire Rathdown County Council to be part of the county award ceremony.

Next Monday **2nd December** is the deadline for entries. Each decoration should be clearly labelled with the name and class and ideally short description of the materials used.

We look forward to decorating our RETNS tree with the decorations! It's one of the highlights of the Green Team year!
