

# WEEKLY UPDATE

27/02/25

## Annual Cake Sale Fundraiser

6th Class and the Student Council are running our annual fundraiser tomorrow. All proceeds of the cake sale will go to our chosen charity Childline.

Please refer to the email sent earlier in the week for more details.

- Baking homework for all tonight!
- €3 (juniors) - €5 (seniors) max spend!
- Parents/guardians welcome from 1.30pm to buy any leftovers!

## Pancake Tuesday

We will celebrate Pancake Tuesday on March 4th with pancakes for all organised by the PA and helped by 6th class on the day.

A big **thank you to SuperValu Ballinteer** who are donating all the ingredients for our pancakes and toppings.

If your child has any specific dietary requirements/allergies please talk to your child's teacher.

We are suggesting a €2 donation per child which will go to our charity for this year, Childline.

## Wormery update!

Before midterm 4th class started 'rebedding' in the old wormery. They discovered that it needed replacing.

Nicola contacted Craig, our trusty 'worm guy' and he arrived with a new wormery for us.

We emptied the entire contents of the old wormery into wheelbarrows and various large containers.

The old wormery was removed (thanks to Craig).

We placed the new wormery in the side garden and refilled the contents back in. We topped it up with more fresh leaves and paper.

The worms are settling into their new home now.

Laura Jane (mum to Anthony and Athena) spoke to 2nd class about publishing her book. She inspired us all by telling us everyone has their own story to share.

There is a lot of great work happening around the school!

## Dates for the diary

March 4th Pancake Tuesday  
 March 6th World Book Day  
 March 7th Science Fair hosted by 5th + 6th class @9.15am -10.00am

le dea ghúí - Anna Acting Principal
