Hot Lunches

Thank you to everyone who has already responded to our survey. We encourage more replies to ensure we have a comprehensive understanding of your preferences. We have met with one lunch provider and will be meeting with two more in the coming weeks. Reps will visit the school to offer lunch tastings to our student council and staff, and together, we will decide which provider best suits our school's needs. Please find the link below again to participate in the survey and share your thoughts.

Bí Cineálta

As mentioned last week, we'd love for all parents to fill out a quick survey. Your thoughts are really important to us in creating a welcoming and inclusive space for everyone. It will only take a few minutes, and your input will really help us plan better and make your child's experience at our school even more positive. Thanks so much for your continued support and for being involved.

National Children's Choir

Congratulations to our choir on a job well done at their performance on Tuesday, March 25th, at the National Basketball Arena. We are incredibly proud of how the children represented our school. A heartfelt thank you to Anna, Gráinne, Ciarán, and Niamh for their hard work and commitment in preparing the children for this memorable experience. Well done all!
