Bí Cineálta parent survey

We will be distributing our parent survey once more through the PA WhatsApp groups. Apologies if the link did not work in previous weekly updates. Hopefully it will work now for you through WhatsApp instead.

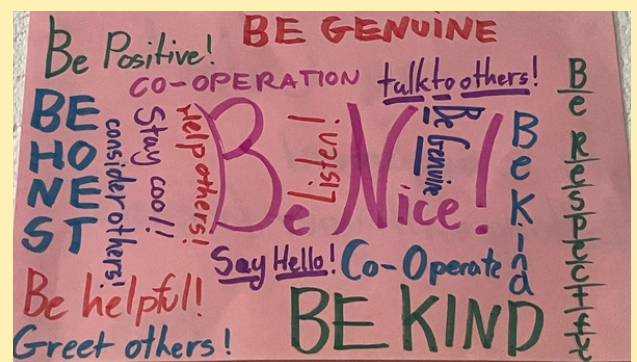

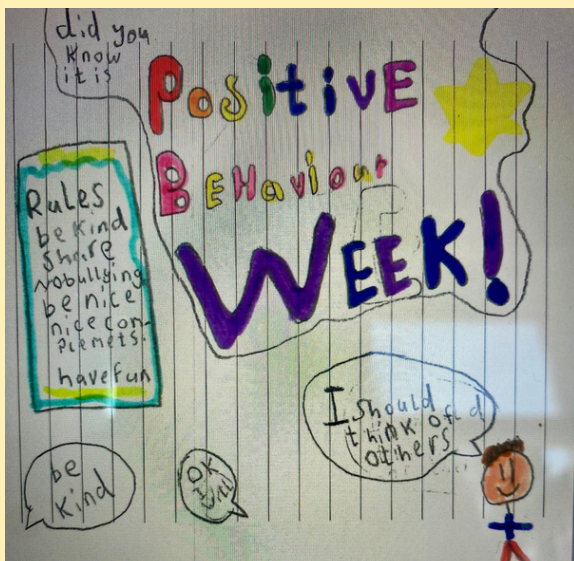

Code of Behaviour

As per the email sent yesterday to all families, we are focusing on positive behaviour this term with a weekly theme.

This week we are emphasising the importance of using good manners. Next week, we will focus on how we move respectfully throughout the school. We would appreciate if you could speak to your child about this at home.

Positive Behaviour posters from Rang 2 and 5

A Note on the Weather

As we transition into the summer term and the weather improves, please make sure your child wears suitable clothing to school, including a hat. Please apply sunscreen as well. We anticipate spending significantly more time outdoors this term, so it is essential that we all stay safe in the sun.

Additionally, a gentle reminder regarding footwear: Crocs and flip-flops are not permitted due to health and safety concerns.
