Nourish + Green

The children have been enjoying their hot lunches this week. We have received very good feedback from the classes. Going forward in September, N&G will provide each child with a lunch box so that he/she can bring the packaging home. All packaging is compostable at home. Currently, N&G are doing this for us, as they are not in a position to provide the lunchboxes just yet. Your child can bring their own cutlery to school if they prefer - however, they are now receiving compostable cutlery and napkins with their hot meals. In an effort to keep waste as minimal as possible, if you know in advance that your child will be absent, please log onto the N&G portal and cancel the meals for your child so that they are not prepared or sent to the school. Thank you.

Family Fun day

Family Fun Day was a big hit at the weekend. Thank you so much to all the organisers and volunteers on the day. There was an amazing turn out and so many activities to keep everyone entertained. Between the fun day and the ECA programme this year, the PA have raised **€5100** for the school. Thank you all so much for contributing to this and for donating prizes to the raffle. The money will be put to good use in the school. We are working hard to enhance our school grounds and outdoor spaces. We will keep you updated on how the money is allocated very soon.

Graduation next Wednesday at 11am for Rang 6 and guests.

Sports Day

Well done to all of the children for their good sportsmanship and enthusiastic participation in last Friday's sports day. Thank you to all the volunteers for helping at stations and organising the equipment. A great day had by all! Congratulations to the BLUE team for being the overall winners.

The Blue team win Sports Day 2025
